Arnprior *Discovery* Lecture Series

Medical Cannabis Hope vs. Hype

Guest Speaker

Erin O'Shaughnessy

MScN, NP, Primary Health Care

Thursday, February 14th
7pm
 Arnprior Public Library
 21 Madawaska Street
 Main Community Hall

Please reserve your seat

We will discuss medical cannabis as a treatment option for various conditions, and address questions about its use.

- Cannabis can reduce and possibly replace many prescription medications (including opiates and benzodiazepines)
- There are many different types, or "strains" of cannabis, including strains without "the high"
- There are ways to use cannabis other than smoking it, such as oils or capsules

Film Day is February 24th. Admission is by donation and yes, we have refreshments!

At 1pm it's **20 Feet from Stardom** as requested by one of our patrons. Notable awards (2014/2015) include Academy Award for Best Documentary Feature; Critic's Choice Movie Award for Best Documentary; Grammy for Best Music Film.

At 3pm it's **Bohemian Rhapsody** - a must for fans of Queen. It has received 5 Academy Award Nominations.

Please RSVP your seat on our website. If there's a film you'd like us to screen, let us know and we'll check if our licence covers a screening.

Arnprior *Discovery* Lecture Series

This lecture series is a presentation of Arnprior Regional Health Foundation and the Arnprior Public Library

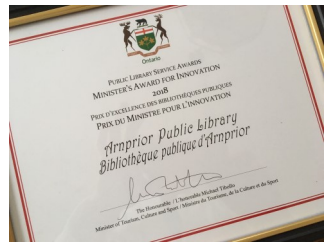

Sign out some great books, museum passes, movies, music & more to help spend quality time with your family!

The library will be **CLOSED** Monday February 18th for Family Day.

Library staff attended the Annual Ontario Library Association Conference in Toronto January 30th to February 1st.

We met and shared ideas with librarians from Halifax to Vancouver. There are some amazing things happening in libraries throughout the country and we are pleased to let you know that Arnprior received the Minister's Award for Innovation.

We look forward to bringing new programs and approaches to Arnprior. If **you** have some new ideas - we're always open to suggestions!

We love our partnership with the Opportunity Shop. This month check out the lower level Art Corridor. The Op Shop has filled the space with pieces available for sale.

We had a tremendous turnout for our workshop on Aeroponics. The first of our two grow towers features herbs, lettuce and spinach. We'll be using this fresh produce as part of our After School Program nutrition offerings. As the towers become more established, we'll be offering fresh herbs for patrons to take home. In return we'll be asking for your favourite recipe using the herbs. A cookbook will eventually emerge using all the recipes. #communitybuilding

You'll be noticing some changes in our lower level café / book sale area. Stay tuned for details!

COMING UP IN MARCH

We're finalizing our plans for the library's first **Share the Stage Open Mic** on Sunday March 3rd at 2pm. We ask that you RSVP for this afternoon - whether you plan to attend as audience member or wish to perform. Details re: performance lineup will follow via email.

March Break isn't just for youngsters at the Arnprior Public Library.

Artist Bozena Hrycyna will be providing two workshops during March Break, one for adults the other for children.

Bozena works within the Eastern European folk art tradition, specializing in pysanky - Ukrainian Easter Eggs.

Registration for this exciting workshop will open on February 20th.
