Current Affairs Discussion Group

Everyone is welcome to the **June 14th** edition of our new Current Affairs Discussion Group. This month we are partnering with the local chapter of the Canadian Peace Initiative Group to host **Jean de Dieu Babose**.

His current peace building interests focus on: peace education; anti-corruption education as a way of building positive peace; and dialogue for healing the wounds of the past, reconciliation and unity among Rwandans. The presentation / discussion begins at 7pm and everyone is welcome.

Now's the time to start something new

June is Seniors' Month in Ontario

Our inaugural Current Affairs Discussion Group was held in May. The theme was climate change. Following a great presentation by author Alan Bauld, discussion led to an interest in creating an **Environmental Think Tank** to see what initiatives could be introduced locally. Anyone interested in attending this meeting (**7pm on June 21st**) is welcome. Again, to assist with seating, you can RSVP your attendance.

To mark National Aboriginal day on June 21st, the library will be screening **Hochelaga, Terre des Ames (Hochelaga, Land of Souls)** an historical film about Montreal - spanning 8 centuries. Languages include French, Iroquois, Mohawk and English. We will present this film with English subtitles. Doors open at 12:30 and the screening begins at 1pm

For a link to the trailer, please visit our website and RSVP your seat for this matinee.
