

Everyone can agree it's been a long hard winter... so it's time to beat Cabin Fever with our very first Share the Stage Open Mic at the library. Everyone is welcome on Sunday March 3rd.

Doors open at 1:30; signup starts at 1:45 and the music begins at 2pm. There will be refreshments.

Be a part of this inaugural event and we'll see where it goes!

If music is your interest, get your ticket today for our April 6th fundraising concert with Juno nominee Corin Raymond. This event begins with *Bookworm* - Corin's storytelling featured at the Vancouver Fringe Festival.

After the intermission, he will perform a full set of music. **Tickets only \$20.**

Following the success of a similar format concert in the fall, we will be hosting wine and cheese and launch a photo exhibit during the intermission. To that end we are looking for YOUR PHOTOS.

The theme is "Every Picture Tells a Story". Send in your digital file by March 30th along with a 50 word description of the photo and the story it tells. We will print the photos and launch the exhibit on April 6th during the concert. High resolution photos (600 dpi for 11x14 print preferred) should be taken within the last 12 months. All photos will be on display in the Art Corridor for the month of April.

THE FAVOURITE is a bawdy, acerbic tale of royal intrigue, passion, envy and betrayal in the court of Queen Anne in early 18th century England. At the center of the story is the Queen herself (Olivia Colman), whose relationship with her confidante, adviser and clandestine lover Sarah Churchill, Duchess of Marlborough (Rachel Weisz) is turned upside down by the arrival of the Duchess's younger cousin Abigail (Emma Stone). Soon the balance of power shifts between the women as they jockey for influence with the Queen and the court.
